Making selections easy

Petunia Ez Rider™

Scientific Name:
Petunia x hybrida

Ez Rider Grandiflora Petunia
Height: 15 to 25 cm

Lo Rider Multiflora Petunia
Height: 17 to 25 cm

Spread: 20 to 30 cm

Available in:
512 and 288 plug trays

Controlled-growth petunias buy time and flexibility for the entire chain, from grower to consumer.

Shorter, more controlled plants assure less PGRs required, better holdability, less chance of disease and less dump. Tight bloom window in top-selling colours means all ship and sell together.

Better branching with improved airflow compared to existing compact types.

Enhanced, longer garden performance both in ground and in containers.

Versatile series can be used in small cell packs and larger cell packs up to hanging baskets.

Petunia Lo Rider™

Petunia Dreams™

Scientific Name:
Petunia x hybrida

Grandiflora Petunia
Height: 25 to 38 cm

Spread: 25 to 30 cm

Available in:
512 and 288 plug trays

Dreams offers matched performance in all colours including the picotees – no need to pick and choose from several series.

Free-flowering grandifloras provide a 5 to 7-day Spring bloom time window from pot to pot, across the colour range.

Tight branching habit and plant structure assure a high-quality look at retail and excellent garden performance.

Consistently high seed quality and very good Botrytis tolerance.

Rose Star

Red Star

Early flowering grandiflora series on a compact, well branched plant.

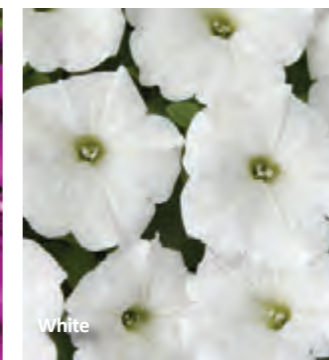

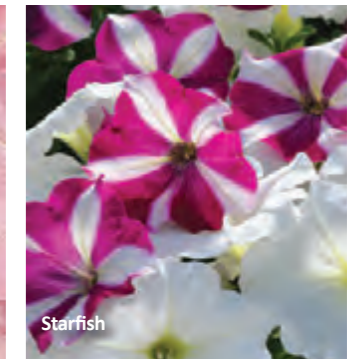

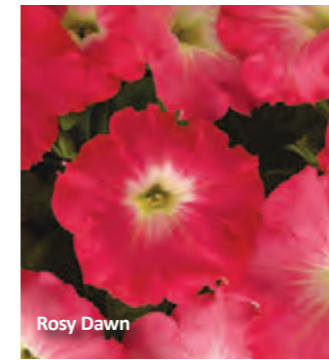

Just For Fun Solutions

Petunia Spreader **Craze**

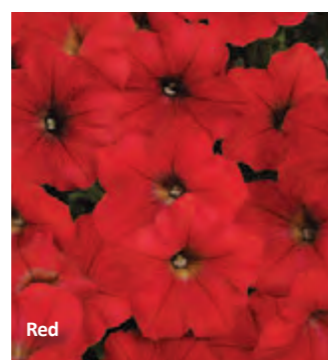

Scientific Name: <i>Petunia x hybrida</i>
Spreading Petunia Height: 10 to 15 cm
Spread: 90 to 1.2 m
Available in: 512 and 288 plug trays
Craze is the original spreading living mulch petunia series.
With a wide, spreading habit, Craze makes an excellent groundcover, a single plant spreads up to 1.2 m. They are maintenance free, no need to deadhead or cut back, they will bloom freely all summer long..

Petunia Spreader **Easy Craze** cont..

Petunia Spreader **Easy Craze**

Scientific Name: <i>Petunia x hybrida</i>
Spreading Petunia Height: 15 to 30 cm
Spread: 75 to 1 m
Available in: 512 and 288 plug trays
Easy Craze spreading petunia has exceptional uniformity and well matched habit.
This is the most versatile large flowered spreading series, with a more controlled spread. Easier to flower under short days for early season sales, flower size ranges between 4 to 7 cm and spread up to one metre per plant..

Petunia Spreader **Explorer**

Scientific Name: <i>Petunia x hybrida</i>
Spreading Petunia Height: 20 cm
Spread: 90 cm
Available in: 512 and 288 plug trays
Explorer is ideally suited as a groundcover for landscapes, packs and containers.
One of the earliest series to flower in Spring and will flower into Autumn.
