Osteospermum 'Purple Sun'... several shades of orange that fade into a deep purple ring that surrounds the heart of the flower.

This FleuroStar award winner has the wow factor, as a bedding plant offering the highest visual impact and retail potential.

The FleuroStar expert jury was impressed with the striking colour combination and the abundance of blooms that are certain to generate impulse sales.

Osteospermum Purple Sun branches well and can easily be integrated in any Osteo production plan.

Purple Sun, is set to warm hearts around the world!
