

BUSH GEMS®

— Kangaroo Paw —

ANIGOZANTHOS BUSH FURY

Anigozanthos Bush Gems are a spectacular, versatile range of water-saving, easy care plants. These varieties offer spectacular colour, profuse flowering and a range of heights and exceptional quality. As a potted feature plant or en-masse in the garden, Bush Gems add interest to all garden styles.

Bush Fury is an attractive medium-height variety with the unusual habit of repeat flowering. It is a very tough plant that features medium sized, dark crimson flowers on a naturally branching plant. This variety is particularly tolerant of diseases and is very long lived. Ideal as a a feature plant or use in combination with other native plants.
