

BUSH GEMS®

— Kangaroo Paw —

ANIGOZANTHOS BUSH ZEST

Anigozanthos Bush Gems are a spectacular, versatile range of water-saving, easy care plants. These varieties offer spectacular colour, profuse flowering and a range of heights and exceptional quality. As a potted feature plant or en-masse in the garden, Bush Gems add interest to all garden styles.

Bush Zest creates an electrifying display of pure bright yellow flowers at the terminals of yellow haired stems. This tough, hardy variety will hold its colour year round, and continue to produce flushes of flower from early spring through to late autumn. A plant perfect for patio pots and containers.
